## Welcome to ORGANIX 07

Meet the pipe organ, the "King of Instruments". Our program includes solo recitals, organ & trumpet, a theatre organ concert at Casa Loma, Saint-Saëns' Carnival of the Animals arranged for piano & organ, and a Show and Tell where you will explore inside a large pipe organ, even play it if you like. Our final concert showcases two distinctive musical cultures, the Anglophone choral tradition and Francophone organ music. Once again, we offer the very popular informal Wednesday series of 30 minute concerts at 6:00 p.m. for only \$5.00. Be Inspired... Be entertained! Visit our website for details, ticket and book purchases and an opportunity to support us. See you at ORGANIX 07.
