**May 7 to June 6, 2012**  
 Gordon D. Mansell, M.Mus.  
 Producer and Artistic Director

Each Spring **ORGANIX CONCERTS Inc.** welcomes the finest Canadian and world-stage organists to perform for us in a music festival unlike any other. This year, in addition to our own Canadian superstars we will once again present a stellar cast of international performers including Massimo Nosetti (Italy), Nigel Potts and Jeremy Filsell (USA), Christian Lane (USA), Marek Kudlicki (Poland), Maxine Thévenot (USA), Renée Anne Louprette (USA) and world famous Diane Bish (USA) the Queen of the *King of Instruments*. You will hear amazing repertoire that will thrill you right to the core. Hear Nosetti and Maestro Philip Sarabura perform two rarely heard romantic organ and orchestral works. The Nigel Potts and Jeremy Filsell duo will treat you to the much loved and famous Rachmaninov Piano Concerto No. 2, carefully transcribed for Piano and Organ. Diane Bish of course, will demonstrate her total mastery of the organ in her very unique and entertaining way. *The more sequins on the shoes, the faster they go.* Christian Lane, the winner of the Canadian International Organ Competition will perform a very special concert, Christian's first Canadian appearance since his October 2011 CIOC triumph in Montréal. ORGANIX 12 will be a month of awesome music-making and not one moment should be missed!

Many ORGANIX concerts and special events are free. The six gala performances of which three have a convenient early Wednesday evening start time, has a single admission fee of just \$ 39.50 including tax. Further savings may be gained from purchasing a Festival Pass or Build-Your-Own Pass for two, three or four concerts. For information, tickets and passes, visit [www.organixconcerts.ca](http://www.organixconcerts.ca), phone 416-769-3893 or fill in the order form on the next page and mail it back to us.

ORGANIX CONCERTS INC. is a wholly-owned production of Glionna Mansell Corporation. Whether you want to hear more live organ music or you are in search for a new Allen digital or digital/pipe hybrid organ, this is the perfect time to discover the excellence Glionna Mansell represents.
